*Packaging capacity claims. Actual yield depends on balloon size, inflation level and handling losses.

Included in every kit

Printed color box, filled helium cylinder, 30 balloons and ribbon. The included balloon quantity is separate from the tank's label capacity.

Ordering & delivery

OEM: 1 full container minimum. Production takes 4 weeks after receipt of deposit.

Overseas GreatWhip / Gas Club stock: 1 pallet minimum. Ask for stock availability.

Transit time depends on the destination. Custom tank colors, branding and packaging are available.

Pallet loading & mixed containers

13L: 60 tanks on the larger lower pallet + 40 on the smaller upper pallet.

22L: 36 tanks on the larger lower pallet + 24 on the smaller upper pallet.

Different sizes can share one container. Table quantities apply to single-size loads; mixed loads depend on the selected quantities and final packing arrangement.
